2. Salem
3. Tiruppur
4. Madurai
5. Tirunelveli and
6. Trichy

www.taneef.org

Posting Orders have already been issued to the Executive Engineers for all the 6 cities. The following guidelines are to be followed by the officials concerned:

1. The Executive Engineers/Electrical will co ordinate with various agencies involved in the project for smooth execution, commissioning and subsequent operation and maintenance of the project including FRTUs associated with RMUs and Sectionalisers. They will also facilitate integration of data between IT and DMS through SCADA/DMS Implementation Agency (SIA).
2. Two Assistant Engineers per shift will take care of the operation and maintenance of the control centre and the system and one AE as spare for the shift operation.
3. One Assistant Engineer each will be in-charge of maintenance of in-door and out-door equipments.

4. Proper training will be imparted to the various operating and maintenance personnel of the project by the SIA as per the contract to familiarize themselves with the system.

The receipt of the letter shall be acknowledged.
