Lr.No.GS/TANEED/F.Rep/D.No. 104 /13. Dt: 04.02.2013.

Sir,

Sub: Promotion to the post of Junior Engineer Grade II/Elect -
Early finalization of the panel & Issuance of order -
Requested - Regarding.

Ref: CE/P/Lr.No.046895/350/G3/G31/2012-2 Dt 01.10.12.

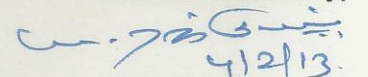

The particulars of as many as, 1253 numbers of Technical Assistants/Electrical, for promotion to the post of Junior Engineer Grade II /Electrical, were called for vide reference cited.

It can be seen from the vacancy position that, more than half of the sanctioned strength of the posts in Junior Engineer Grade II/ Electrical is lying vacant. Because of this, the 110/11 KV Sub Stations are being manned by the staff who are not properly qualified to do so. The situation causes serious privation to the Board as well as its consumers. The panel, if expedited, is well and good for the Board.

TANEED therefore, requests the **Chief Engineer/Personnel** to kindly order to finalize the panel as quickly as possible and early issuance of orders. It is also requested that the services of these qualified diploma holders may kindly be effectively utilized by posting them to major 110/11 KV Sub Stations, rather than choosing to accommodate them at Windmill Sub Stations, where the operations require less vigil and skill.

Thanking you Sir,

Yours faithfully,

(B.Raj Kumar)

General Secretary/TANEED
