To
The Chairman cum Managing Director,
TANGEDCO,
144, Anna Salai,
Chennai-2.

Lr.No.GS/TANEEF/F.Rep/D.No. 110 /13 Dt 04.02.2013.
Sir,

Sub: TANGEDCO - Revamping of Request Transfer Policy -
Transparency in administration by way of e-governance -
Requested - Regarding.

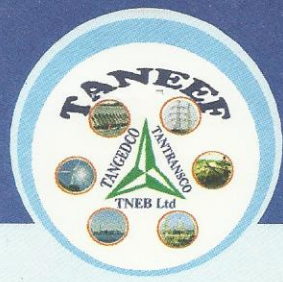

Ref: CE/P/Memo.No.69040/IRI(S)/96-1(Adm.Br) Dt 11.06.96.

The Board, from time to time, has framed various rules and regulations governing the transfer policy of the employees. In the reference (1) cited, certain guidelines have been issued, which are still in force, not as much in practice, than in papers.

With deep concern, we are left with no option but to state that, in the past six years, as far as the transfer policy is concerned, the Board has not chosen itself to follow the guidelines that have been framed for the welfare of the employees. We do not want to go in depth in to the reasons beyond it, whatsoever it may be and indulge ourselves in mudslinging the matter, since conscientiously speaking, there seem to be political, personal, influential and corrupt practices and the like.

As a result of this degradation, it is evident that the rapacious people are getting the desired places be it in posting or promotion/transfer - whereas, the interests of the honest/innocent people are seriously harmed.

TANEEF acknowledges that the whole issue is a complex one and cannot be mended so easily, as we desire, but there must be some reprieve to the ordinary employees.

As of now, for this purpose, e-governance is the best form of remedy available at our hand.

The Board continues with the old paper based administration leading to opaqueness in the functioning of the organisation. Instead, the details of pendency of request transfer applications, vacancy position in all cadres and posting/promotion/transfer orders effected, shall be put on TNEB website on a real time basis. A shift to total e-governance is long overdue and the implementation of the same will surely pave the way for transparency in administration. The success of counseling system followed for teaching staff by TN Government and the passenger reservation system in Railways is testimony to the fact that the electronic interface between the public/staff and the Government is a sure recipe for reducing corruption.

We therefore, request the respected CMD to kindly peruse the matter and order for taking appropriate steps to implement e-governance, in TNEB in a phased manner, in all sections/branches please.

Thanking you Sir,

Yours faithfully,

(B.Raj Kumar)

General Secretary/TANEED
