Ours, **TamilNadu Electricity Engineers Forum, shortly TANEED**, has been got registered under Indian Trade union Act 1929, last month and our Registration number is **3458/Chennai**.

As a registered Trade Union, we are vested with rights to represent the grievances of the staff in engineering cadre of the Board, as we have always been.

Now, we would like to pursue our activities in strengthening the relationship between the employees and the Board and work for successful mutual Co-existence, in serving the people of TamilNadu.

As a growing trade union, we seek the fullest co-operation from the Board. We would like to get involved ourselves in the talks with the Board, on important issues, for the benefit of the Board as well as employees.

We therefore request the Secretary to kindly give a fair chance to our trade union, by inviting ourselves to the talks to be held in future, with the Board on the important issues like Wage revision settlement, Restructuring of Board etc. please.
